The Student orientation program plays an important role in a student's transition. Orientation programmes are aimed at familiarizing the students to an unknown campus environment, its faculties and infrastructure. It enables them to make essential connection with studies and develop network among other peers.

The three basic goals of any college when organizing an orientation program are:

- Introducing students to their college life.
- Incorporating them in the college environment.
- Familiarizing students with the general formalities, rules and regulation of the department.

The program was started with general instructions delivered by Ms. Ikhar. Then students were introduced to the achievements of department, future goals and perspectives, various facilities available in the department, etc. by Prof. Jirwankar.

Then students were introduced to professional body of the department, CESA. There were several ice-breaking activities performed in the class. Additionally, they also shared their expectations from the department.

Session was concluded with speech by Prof. Shrikant Randhavane (Head of the Department).

ENGINEERS DAY CELEBRATION was organized for the students of department of Civil Engineering on 15th September 2022. All students of second year, third year, final year, and staff of Civil Engineering department have participated at event. The event has started with lightening of lamp with the hands of Dr. Shrikant Randhavane, Head of Department, Prof. Narayan Chandak and Prof. Prerana Ikhar, CESA Faculty in charge. The event is hosted by Sakshi Gawai, TY, followed by speech given by Vinita Girase, SY about the great engineer Sir M. Vishweshwaraiya.

The student council of CESA for AY 2022-23 is introduced to the department through video. Our head, Dr. Shrikant Randhavane inspired students to aim for excellence in the field by keeping great engineers as inspiration. As token of gratitude, all faculties of department are welcomed with flower on the occasion by the CESA.

As the start with new academic year, the placement activities in the institute has begun. Our four students from fourth year have placed in CRDT Technologies with package of 6 + 4 lpa named as Rajesheshri Suryawanshi, Kunal Suryawanshi, Yash Gawali and Ram Saraf. They are felicitated with the hands of dignitaries. Students have shown great enthusiasm in participation and

volunteering as organizing team also. 108 students from department have attended the event. Following is the new student council of CESA for new AY 2022-23,

Organizing Team: All staff, Department of Civil Engineering

Resource Person: Mr. Rishabh Rathore, Design Engineer, Ramboll.

Participants: Third Year and Final Year Students (18 no.)

The pandemic COVID-19 has necessitated drastic measures like social distancing, staying indoors to be taken to fight against it. Needless to say, these are challenging times that we are living in. This situation has demanded highly skilled technical persons who cannot be stopped by the constraint of online methods. Thus, to develop the skills of student for different software required in civil engineering. Our department has initiated the online training program series for UG and diploma students especially. This series will basically focus on software training.

Schedule of event:

EVENT DETAILS

SVKM's Institute of Technology has established Institute Innovation Council (IIC) as per the norms of Innovation Cell, Ministry of Education, MHRD, Govt. of India. Under this council, all departments are conducting series of programs including IIC Calendar Activities as well as Self Driven Activities. SVKM's IOT IIC established on 11-09-2020.

Institution Innovation Council, SVKM's IOT, Dhule and CESA in association with SCGT'S Young Entrepreneurship Cell conducted an expert talk on 03rd December 2022 at 11 am on ENTREPRENEURSHIP and SPIRITUALITY.

For this webinar, as a guest speaker we have invited Param Pujyaniya Aanand Jeevan Swamiji and Dr. Jitesh Pathak. The seminar was hosted under the guidance of Dr. Shrikant B. Randhavane (HOD), Prof. Achal Agrawal and Prof. Deepak Baghel. The event started with the introduction of Saturday Club by the chairman of Saturday Club Global Trust. The program was further preceded by the first guest speaker Param Pujyaniya Aanand Jeevan Swamiji. Swamiji guided about how we should keep our behavior and attitude in this era .he also gave some knowledge about spirituality. The next guest speaker Dr. Jitesh Pathak shared his experience and explained importance of ethics in entrepreneurship. Main focus of the talk was to make students aware about what happening in the society.

Overall students were impressed with the session and program was ended with the vote of thanks and national anthem.

FOLLOWING ARE THE SOME OF THE GLIMPSES OF THE SESSION:

Objectives

1. To give essentials about Entrepreneur.
2. To set goals to become entrepreneur.
3. To know about spirituality.

Benefits:

1. Participants aware about creative thinking skills, attitude and behavior development.
2. Participants learned Qualities of Entrepreneur.

We are thankful to Today's speaker Param Pujyaniya Aanand Jeevan Swamiji and Dr. Jitesh Pathak for enlighten us about Spirituality and Entrepreneurship .We are also thankful to SVKM's Management & our honorable principal Dr. Nilesh Salunke, IIC President SVKM IOT, Dr. Shrikant B. Randhavane IIC Vice President, SVKM IOT, Dr. Namra Joshi, IIC Convener, SVKM IOT, and last but not the least to all participants attended this IIC activity.

Activity Report

Aim: To inculcate the values of social responsibilities in students of department.

Objectives: To mark the 75th year of Independence under Azadi ka Amrit Mahotsav with the theme of Action@75, Sabka Saath, Sabka Vikas, Sabka Vishwas, Sabka Prayas.

Name of Program: Cloth Donation Drive

Date: 12 December 2022 (A.Y. 2022-23, Odd Semester)

Event Conduction Duration: 11:30 am to 01:30pm

Event Venue: Ektanagar, Behind GPD, Deopur, Dhule

Event In Charge: Prof. Prerana Ikhari

Organizing Team: All Teaching staff, Department of Civil Engineering, CESA Members.

Outcomes:

1. To learn value education.
2. To instill the importance of social responsibilities.
3. Help provided to 250 needy people.

In this modern world, development of young minds is revolving around the technology. During this, keeping touch with the humanity and social responsibilities is also important. Value education builds overall character and personality. Understanding the importance of values, morals and ethics and implementing it in daily life, bring closer to become good human being. Under the initiative of Government of India for celebration of 75th year of independence, various activities have organized with different action plans. The following activity is successfully conducted under the theme of Action @75, Sabka Saath, Sabka Vikas, Sabka Vishwas, Sabka Prayas.

The students of Civil Engineering Student Association of Department of Civil Engineering had taken initiative to donate clothes to the needy people. As the cold season of the year approaches, the warm clothes become necessary in the nearby region. Students proposed that they have outgrown from their seasonal clothes during teenage. Rather than accumulating the clothes, it will be better to donate to those in need. Taking the base of this idea, student volunteer had circulated poster of 'Cloth Donation Drive' in all the departments of the institute to create awareness among the students and faculties. We have collected almost 400 units of clothes which are categorized in men, women, kids.

The 'Cloth Donation Drive' has successfully conducted at Ektanagar, Behind GPD, Deopur, Dhule on 12th December 2022 in presence of Dr. Shrikant B. Randhavane, Head of the Department, Prof. Basweshwar S. Jirwankar, Prof. Yogesh N. Bafna and Prof. Prerana R. Ikhar. All the collected clothes have donated to almost 250 people present on the location. Student volunteers Sakshi Gawai, Yadnya Pawar, Siddhesh Nashikkar, Nirbhay Deore, Sanket Wagh, Mayank Patil, Sayali Mehrunkar, Rushabh Khairnar have successfully conducted the distribution of clothes at the venue.
