The Student orientation program plays an important role in a student's transition. Orientation programmes are aimed at familiarizing the students to an unknown campus environment, its **faculties** and infrastructure. It enables them to make essential connection with studies and **develop network** among other peers.

The three basic goals of any college when organizing an orientation program are:

- Introducing students to their department life.
- Incorporating them in the department environment.
- Familiarizing students with the general formalities, rules and regulation of the department.

The program was started with general instructions delivered by Prof. Ikhar. Then students were introduced to the achievements of department, future goals, Career opportunities and scope of civil engineering in professional set up, etc. by Prof. Agrawal.

Then students were introduced to professional body of the department, CESA. CESA committee members from final year interacted with SY students and shared their experiences. There were several ice-breaking activities performed in the class. Additionally, they also shared their expectations from the department.

Session was concluded with speech by Dr. Shrikant Randhavane (Head of the Department).

Activity Venue: Class Room 306.

Activity In Charge: Ms. Prerana Ikhar

Organizing Team: All Teaching staff, Department of Civil Engineering

Participants: Students from second year, third year and final year.

Being a student association, CESA plays the vital role in the department of Civil Engineering. At the start of every academic year, the student council members are selected based upon their skill and will and council is reformed. MS Form is circulated among the students where as per their willingness they give preference for various posts decided for each year. The previous council members guide their junior about the role and responsibilities fall under the post. In last few years, CESA has organized remarkable events and activities. Thus, students have shown great interest in being a part of council member. This year, total 58 students had applied for the various posts. According to the observation and discussion among the faculties, the students are selected for the posts in various teams as lead, team-mate etc.

For the post of vice president of council, interview has been scheduled. In the process final year interested students have appeared, presented themselves and faced the panel of three departmental faculties. This year, Prof. Darshan Patel, Prof. Achal Agrawal and Prof. Prerana Ikhar assessed students based on their presentation skills, social skills, general attitude and future plans for CESA. The student council members have selected after this process and will be introduced to the department on the occasion of Engineer's Day. In India, National Sports Day is celebrated on 29 August every year to commemorate the birthday of Indian hockey legend Major Dhyan Chand. The day also serves as a reminder for all of us to recall the contributions, determination and extraordinary achievements of the athletes and their influence in shaping societies. To pay tribute to the legend, we have organized the indoor games event for the young minds of department. The members of CESA have organized the games like carrom, chess and table-tennis. The students from second year, third year and final year participated in the events enthusiastically and made the event successful. The event is inaugurated by Prof. B. S. Jirwankar and Prof. Y. N. Bafna, playing the honorary moves of chess. The inauguration event is hosted by Nirbhay Deore, Final Year student.

The poster is yellow with black and blue text. It features the SVKM logo at the top left and the CESA logo at the top right. The text reads: 'SVKM's Institute of Technology, Dhule', 'Department of Civil Engineering', 'Organised by Civil Engineering Student Association', 'SPORTS DAY', '26 AUGUST 2023', 'EVENTS FOR THE DAY', 'Table Tennis', 'Chess', 'Carrom', 'For more details visit here :', 'https://forms.gle/qoa4M44uhvp8fRur8', 'Mayank Patil: 7666022948', 'Student Co-ordinator: Dhiraj Chaudhari: 7219316564'.
