

FROM HOD'S DESK...

Dr. Makarand Shahade,
Head of Department

As we all know that the 1st and 2nd edition of the departmental news letter 'COMP-BUZZ' was a great success and it got a remarkable response. Once again I'm glad to announce the 3rd edition as 'COMP-BUZZ Vol-3'. We are extremely happy with all the achievements and progress that our computer department has made and we are excited to get all those activities incorporated into this edition of the news-letter of the Department of Computer Engineering. This is going to give a glimpse of faculty and student achievements, training and placement cell details, activities conducted by the department in the last few months.

The editorial team of the department has worked hard to bring out this news-letter. I congratulate them for their effort. Also we look forward to the next edition of Comp-Buzz.

Department vision:

We envision a globally recognized and innovative computer engineer who meets socio-economical and industrial needs.

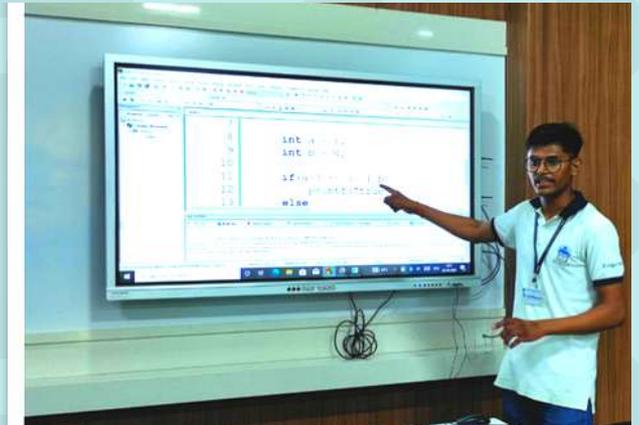

Department Mission:

- To empower students with comprehensive knowledge of Computer Engineering to be successful professionals.
- To ensure quality education that prepares students for careers in industry and higher education.
- To develop leadership skills in students while instilling strong ethical values and encouraging lifelong learning.

REFRESHER COURSE ON “C PROGRAMMING”

GLIMPSE OF WORKSHOP

8, 9 & 10 September 2022:

Association of Computer Engineering Students & ACM Student Chapter of Department of Computer Engineering organized a Refresher course on “C Programming”. The topics covered in the course are -Variable Declaration - Introduction, Input/ Output, Conditional Statements, Loops, Functions, Arrays and Pointers. total 54 students participated in the workshop from S. Y. Computer Engineering.

The student volunteers for the workshop were B.Tech Students- Yash Lakade, Priyanka Vibhandik, Darshan Kotkar, Vishal Jagdale, Mitali Chaudhari and Akshay Brahme. Prof. Khalid Alfatmi, Prof. Kiran Somwanshi and Prof. Amir Khan Pinjari were Coordinators of the workshop. It was indeed a very informative workshop conducted in SVKM IOT.

CAMPUS RECRUITMENT TRAINING 2022

SVKM Institute of Technology organized a campus training program for third year students of computer department in associated with Campus Credential (CC).

Campus Credential is a forerunner in the education and training sector since its inception. Campus Credential has trained students for Campus Recruitment Training (CRT) in institutes all over Mumbai and Maharashtra. The Course Objective was to make students able to write optimized code, solve Programming with Time complexity, develop Logic building in Programming, able to crack coding challenges and how to begin with Competitive Programming.

The students taking part in the program was provided with 30+ technical tests and online notes and online assessment portal. Students were trained to enhance skill, employability skills and skilled professionals.

Maximum number of students participated in the training program. It was a really a informative training program held in the institute.
